THE sculpture on the premises of Tharangam Convention Centre of the Mar Thoma Church near the Pampa bank at Arattupuzha near

Chengannur submerged in floodwater from the river on Tuesday.

The sculpture was made by Chengannur-based sculptor Balakrishnan under the directive of the late Zacharias Mar Theophilus Suffragan Metropolitan, the for-

mer head of Chengannur diocese of the Malankara Mar Thoma Syrian Church.

The floodwaters seemed to bring alive the sculpture's theme of Jesus saving his followers from a storm.
