## 20 July 2018

### Kerala, Flood

#### Alappuzha bears the most brunt

Alappuzha district has borne the brunt the most. Around half of its areas submerged and nearly 1.5 lakh people have been shifted to camps. Service personnels are deployed. A total of 9,500 ha paddy is under water. The loss is likely to the tune of ₹20 crore.

116

is the death toll so far in the state

#### State delegation meets Modi

An all-party delegation, led by Chief Minister Pinarayi Vijayan, met Prime Minister Narendra Modi and requested him to send a special team to review the monsoon disaster. It also submitted a detailed seven-point demand memorandum. **P6**
