 Not many of us would want to do without our telephones but there are times when the phone is a source of anxiety. For example, you might be walking up to your front door. When you hear the phone ring. You struggle to find your key, to unlock the door, and getting to the phone quickly. I know the phone will stop ringing the instant you pick up the receiver, then you wonder if you missed the call that would have made you a millionare or introduced you to the love of your life. another time, you may have called in sick to work with a phony excuse. All day long, youre afraid to leave the house in case the boss calls back. And asks himself why you were feeling well enough to go out. In addition, you worry that you might unthinkingly pick up the phone and say in a cheerful voice, "Hello, completely forgeting to use your fake cough. In cases like these having a telephone is more of a curse than a blessing.
28. Answer any one of the following.
 - a). Explain the rules that help to avoid three common mistakes that people make with pronouns.

OR

 - b). What are the different methods of improving spelling and vocabulary? (12 x 2 = 24)
