Kozhikode, Kakkayam Dam, Shutters Opened

**SHUTTERS OF KAKKAYAM
DAM OPENED**

Kozhikode: The shutters of the Kakkayam dam were opened on Wednesday owing to heavy rain in the area and increase in the water level. The district administration has issued warnings to those residing on the banks of the Kuttiyadi river following concerns over water level rising in the river. District Collector U V Jose has said control rooms would function at the taluk headquarters round-the-clock. Travelling to hilly areas in the night should be avoided, the advisory said.
