Time: 1.5 Hours

Max. Marks: 50

PART A**Answer any 5 (2 marks each)**

1. List any two ethical responsibilities of social workers to clients. (CO 1)
2. Define ethical principles in social work (CO 1)
3. Define strengths-based social work. (CO 1)
4. List any two key ideals mentioned in the Preamble of the Constitution of India. (CO 1)
5. What is meant by professional responsibility? (CO 1)
6. Write two values that should be considered when using social media in social work practice. (CO 2)
7. Define the developmental model of social work. (CO 1)

(2 x 5 = 10)**PART B****Answer any 4 (5 marks each)**

8. A client's personal data is accessed by multiple professionals unnecessarily. Discuss the ethical issue. (CO 5)
9. A student intern shares client details on social media to "raise awareness." Discuss the ethical issue involved. (CO5, CO 1)
10. Trace the historical development of social work ethics. (CO 1)
11. Discuss potentiality for self-direction from within. (CO 2)
12. Explain the relevance of Fundamental Rights in social work practice. (CO 6)
13. Explain key features of the welfare model. (CO 1)
14. A social worker realises that a client's needs exceed her professional expertise. (CO 5)
She refers the client to a specialist while continuing supportive services within her scope of practice. With reference to this situation, critically examine the values of integrity and competence in social work.

(5 x 4 = 20)

PART C**Answer any 2 (10 marks each)**

15. Critically examine the core values relating to social work practice. (CO 6)
16. Explain how human values are practised at the micro, mezzo, and macro levels of social work. Analyse their relevance with real-world practice scenarios. (CO 6)
17. Analyse the ethical responsibility of social workers in contributing to the development of professional knowledge and standards. (CO 5)
18. A social worker working in a community centre recognises the inherent dignity of clients, builds trusting relationships, supports informed decision-making, avoids stereotyping, and modifies environmental barriers affecting clients' well-being. With reference to the above situation, critically analyse how core values and practice principles guide social work intervention. (CO 6)

(10 x 2 = 20)
